

At Lilleshall we aim to develop SMSC through Maths by

Spiritual

- Awe and wonder about the natural world and mathematical patterns
- Fascination with size and the infinite nature of number
- Sense of wonder in exactness of maths
- Personal achievement in solving problems

Moral

- Money - being financially responsible
- Money - ethical issues about disparity and gap between the wealthy and the poor
- Money - choosing to support a charity which help to raise money
- The value of money - how does this differ from person to person
- The use and misuse of data in all issues

Social

- Opportunity to work together
- Apply own intuitive feelings and check against what they have learnt to make sense of the world

Cultural

- 
- The wealth of mathematics in all cultures

Study mathematical thinking from all cultures including pattern and shape and number systems
