

SMSC in Modern Foreign Languages

At Lilleshall we aim to develop SMSC through modern foreign languages by

Spiritual

Allowing different ways for people to express themselves

Looking at the ways we learn and construct our languages

Using imagination and creativity

Looking at emotions expressed through different languages

Looking at choice of words and purpose

Promoting self esteem and self belief

Giving opportunity to reflect on learning

Appreciating the wider world and its beauty

Respecting others, their faiths and relationships

Moral

Knowing some of the laws/rituals and cultural expectations of other cultures

Using language and word choices to make correct responses in terms of right and wrong

Encouraging respect for others, their language and their culture

Using language appropriately when looking at moral issues-e.g disagreements between cultures

Learning sessions where school rules are applied and followed

Resources and artefacts are looked after and respected

Social

Breaking down stereotypes

Communicating for a purpose- people with other social and cultural backgrounds

Learning something new together as a class

Learning independently, in small group and in a class

Developing awareness and need for social harmony

Celebrating successes in the classroom

Linking with 'language of learning' promoting 'taking a risk' attitude and doing so within safe learning environment

Where work is exhibited and highlighted

Cultural

Learning beyond the 'holiday' experiences

Valuing all languages

Respecting others including their culture/ heritage and history

Celebrating cultural festivals

Looking at differences and similarities between cultures

Promoting international events/celebrations around school

Welcoming visitors from other cultures

Promoting contacts with other countries in and outside school e.g parents/penpals

Looking at how other cultures have influenced us e.g. food, music, dance
