

# School Council Achievements 2023 - 2024

Lilleshall Primary School

# Improving Our School Environment

- Litter signs created and put up around school to improve the tidiness of our environment – especially the toilets.
- Playtimes remain with smaller groups on separate playgrounds to ensure children have space and feel safe.
- Designs chosen for the playground markings which are now in place..

## Improving Activities at School

- Sports Fair – signposting children and parents to sporting clubs in the local area.
- More children taking part in sporting tournaments.
- Opportunities for both boys and girls to play football.
- Lilleshall Explorer walk completed with parents.

## Improving Lunchtimes

- A rota has been introduced to ensure Year 6 are not always into the hall and therefore have more time to eat lunch.
- Food portion sizes have been addressed and are now appropriate for each year group.

## Improving Health and Wellbeing

- Brushing teeth sessions are now provided in Year R to improve teeth hygiene.
- Improved strategies at playtimes to deal with anger and assembly where this was shared with the whole school.
- Colour monster feelings have been introduced to all children in classes and are accessible to help children share how they feel and seek help.

## Priorities for Next Year 2024-2025

- Sponsored Lilleshall Explorer Walks to raise money for Toilet Twinning.
- Remind all children of suggestion boxes and ensure there are suggestion slips available.
- Liaise with Sports Ambassadors to manage competitive play at break times.
- Set up a Playtime club to deal with worry and anxiety.
