- Some children are bringing toys/ football cards into schools. We will do a reminder in an assembly to remind all children about school rules and policies around bringing things into school.

We discussed what we wanted School Council to work on next.

Random Act of Kindness Day (Kindness challenge on April Fool's Day)

We decided we would have Monday, 24th February as our day but the acts could take place anytime that week. Acts could be done in school or out of school.

Assembly to be delivered on Wednesday, 12th February 9.15am

We shared our ideas and then created posters to go up around school to tell everyone about it.
