Lead adult: Mrs. Phillips

Purpose of the meeting: To complete two modules of our Digital Leaders Training.

Minutes

Mrs. Phillips explained that now she had received everyone's consent form to complete the Digital Leaders training, we are now able to work on this together as a team.

Our first job was to log-on to the laptops and Mrs. Phillips helped us to create a strong password for the training platform.

When we had all managed to sort our credentials, Mrs. Phillips then guided us through Module One, This training module focused on what qualities we should strive for as a Digital Leader, areas that we would like to work on and how to create a Digital Leader charter for our committee.

The second module looked at how the internet can be used in a positive way. A lot of adults remind us of the risks and how to stay safe, but do not always highlight the benefits of using the online world. For example, finding recipes, sending e-cards and using the internet to stay connected to friends and family are all great uses of the internet.

We are very much looking forward to continuing our training and earning our badges this term.
