

# E-Safety Team Committee Minutes

Friday 27th January 2023.

Present at the meeting: OW, BE, WS, HM, MMT, BM, FC, LS-V, ED, CS, RR, PH and WM.

Lead adult: Mrs. Phillips

Purpose of the meeting: To discuss our team plans for Internet Safety Week and to explore our own ideas about this year's theme 'Want to talk about it?'

## Minutes

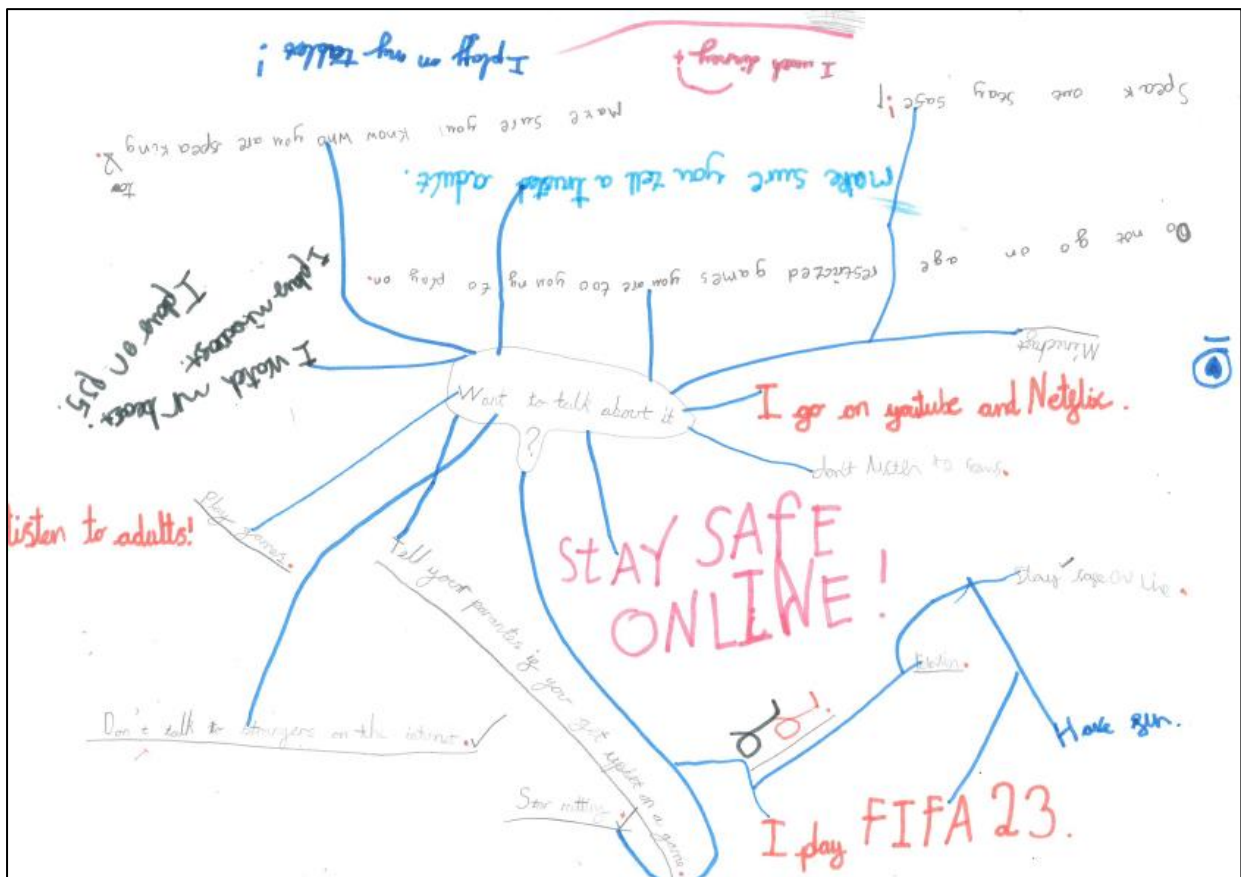

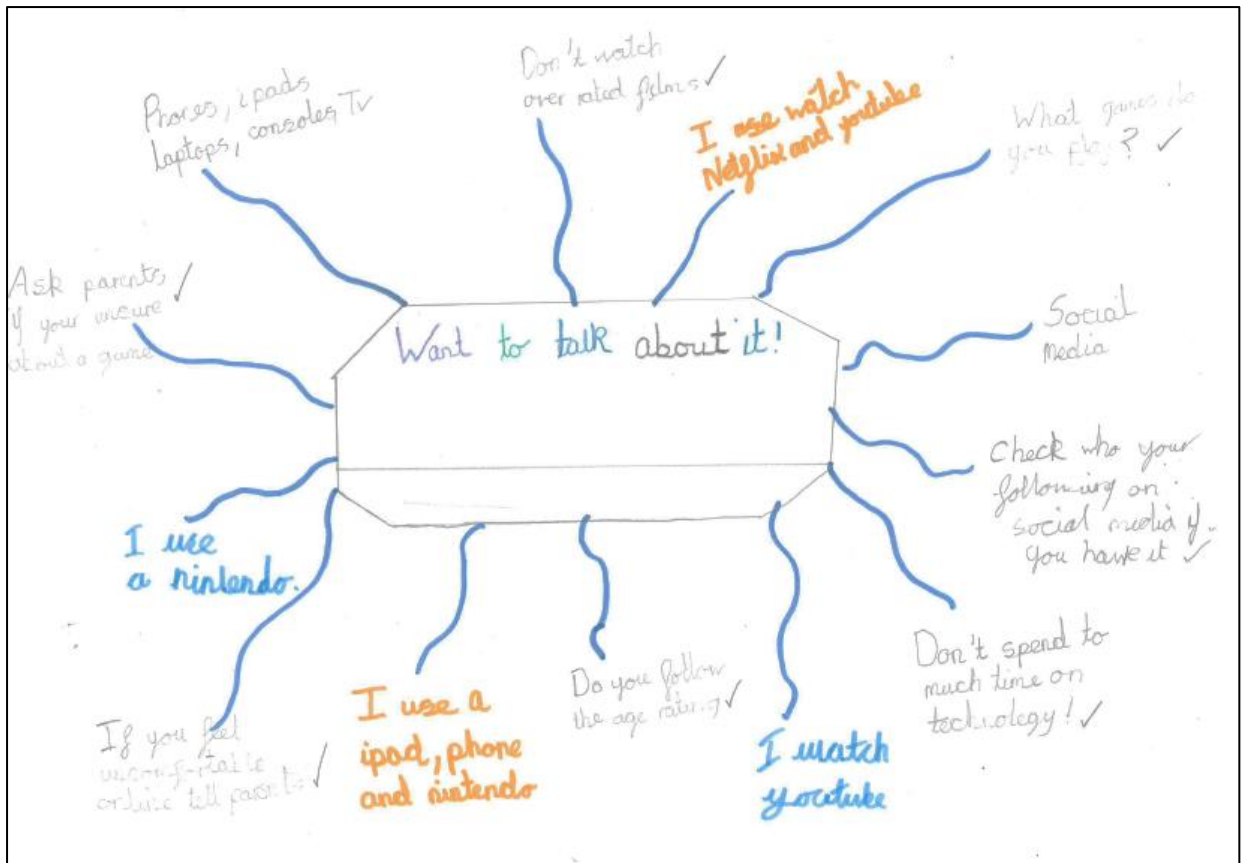

Notes taken by our secretaries:

Today we sorted most of the stuff for internet safety week and most of us were making posters. OW and WS were doing the assembly with BE and then we watched an internet safety video.

This week's meeting was all about internet safety week. Mrs. Phillips shared that we had raised a super total of £180.45 towards the cost of the Digital Leaders programme with our Christmas fundraisers. She also informed us that Mrs. Cousins was very happy for us to purchase this programme due to all the hard work we put in to contribute funds towards the cost. We will be looking at our first module in our next meeting.

Today's focus was on the Internet Safety Day theme for this year which is 'Want to talk about it? Making space for conversations about life online'.

Mrs. Phillips challenged us to write down our ideas for topics we could discuss with our peers in the classroom. We were also encouraged to think about our own choices online and what we access. Here are some examples of what we came up with:

When we had been given some time to complete the challenge in our mixed key stage pairs, we then came back together as a group and discussed the main ideas from each of our sheets. Most of us had recorded the following themes:

- Don't speak to strangers.
- Talk to adults.
- Talk to adults if you are being bullied.
- How do you use technology?
- How much time do you spend on a screen?
- Age ratings - What is inappropriate.
- Who do you trust? Do you know everyone's identities online?
- Personal information - what to share and what not to share.
- Posting - Pause before you post.
- Taking screenshots and evidence to show people.
- Social Media choices.
- Games.

After break we then completed our team jobs.

BE, OW and CS worked on our team presentation for Monday morning. BM created the screen time challenge chart and looked at our questionnaire, CS and LS-V worked on our Mascot competition, HM, PH, FC and WM worked on our screen timer posters and MM-T and ED worked on our poetry competition poster.

Mrs. Phillips also asked for our help in deciding on the activities each class might like to complete from the provided UKSIC packs. At the end of the meeting we then watched the Internet Safety video which will also share with the whole school on Tuesday 7<sup>th</sup> February.
