

E-Safety Team Committee Minutes

Friday 24th March 2023.

Present at the meeting: OW, BE, WS, HM, LE, MMT, BM, FC, LS-V, ED, CS, RR, PH and WM.

Lead adults: Mrs. Phillips and Mrs. Bullen

Purpose of the meeting: To evaluate Internet Safety week, respond to Mrs. Cousins' Committee Questionnaire, to think about age appropriate games for our peers and to create E-safety rules for school.

Minutes

This week we started our committee meeting by discussing how we thought our Internet Safety week had gone. All of the members felt that their friends engaged well with the selected activities, but that competitions could have been made a higher profile so that more people entered.

We then were split into two groups (KSI/LKS2 and UPKS2) to complete Mrs. Cousins' Committee Questionnaire. Mrs. Bullen led the discussion with UPKS2 and Mrs. Phillips had KSI and LKS2. Our favourite ideas that came from this were to ask for our own E-Safety uniform/tops and asking to complete another fundraiser. All of the committee members were very proud of their achievements with regards to the Christmas Fayre.

After break we then completed two activities. When working with Mrs. Phillips were asked to think about the games that we play online. We then checked the age ratings of these games on Common Sense Media and if they were appropriate we added them to our suggestions list for our peers. In Mrs. Bullen's group we thought about creating rules in the style of an acrostic for the word E.Safety. We plan on choosing our favourite ideas for each letter to make our school E.Safety rules.

Our Communication Leaders also sorted out an assembly PowerPoint to share with the school on Monday.
