

## School Council Minutes 2.2.26

Present: Mrs McCormick, Mrs Lee, IR, KD, HT, HM, HS, FP, AL, WT, AM, FH, PP

Introduced National Year of Reading.

Mrs McC introduced the idea of a coffee, cake and reading afternoon for the summer term as part of the national year of reading.

Mrs Lee suggested we go on a trip to our Telford library to look at the books and facilities available there. We can then share our findings with the rest of school.

Mrs Cousins is allowing school council to go to Waterstones to buy some new books for class reading areas during this trip.

Other ideas to promote reading:

Using spotify or audiobooks to share books as an alternative in class

World book day ideas:

Design a book token competition ( closing date 27<sup>th</sup> March)

An outdoor reading cupboard for book swapping (possibly linked to community focus in autumn term)

Create an awesome book of books for each class.

Each class to bake some cakes based on a book theme e.g Hagrid rock cakes, jam tarts – possible fund raising for outdoor book shed.

Optional dress up as character or something comfy clothing.

Action: Do an assembly to share our trip to library and ideas for picnic afternoon.

Sort ideas for cakes/biscuits with staff.
