

School council minutes- 31.1.24

Present: JH, EU, OM, SJ,AK, JS,KC,EB,KB, A O-A, EC, R Lee

Suggestion boxes:

We went through each class suggestion box to look at what the children had put in. Suggestions were:

- More books in reading areas, especially Holly Webb books and Greek myths and legends.
- More skipping ropes as some are broken.
- Brushing teeth at school.
- An assembly so we can see Dora more often.
- On mufti day staff have to wear uniform as children get to wear own clothes.
- To put WD40 on the toilet doors to stop them squeaking.
- More football matches for boys.
- To ban competitive games.
- A fidget box or wall for years 5/6.
- Have year group memory boxes.
- More trips like Arthog.
- No gum or Prime in school.

We discussed these as we went through the. R Lee will speak to Mrs Cousins and Mr B regarding some of the suggestions.

We then looked over the minutes of the last meeting and discussed where we are with some of the actions proposed. The school cook will visit school council when she returns to school.

Mrs Lee shared with the council her Christmas present of a 'twinned toilet' and we discussed the state of our school toilets. We walked around the school toilets and thought of some posters we could put up to remind children to keep them tidy, to flush toilets, pick up paper towels etc.

Children then created some posters we can put up around our school and especially the toilets to remind children to keep our school tidy.

TE also visited school council to let them know about a charity his mum and dad have set up to support ill children. We then discussed the idea of some fundraising we can do as a school to support both TE's charity and the 'toilet twinning'.

Children are going to think of some fundraising ideas and bring them to the next meeting.
