All agree that Lilleshall is a good school, why? No bullying, all teachers help, it's not big, "so we know each other". Other comments include "It's really good because we get to know children in Reception.", "Amazing because it's a kind community" "other children are not rude". Pupils demonstrate a strong understanding of the school rules, rewards and consequences i.e. a reminder, warning, name on board, yellow, blue, red card. One child pointed out that people rarely even reach time out.

When asked if there was ever any bullying - never/occasionally (not bad bullying) They would go to DSL if they had a problem. All are confident to go to Mrs Cousins.

BV's recognised,

Lilleshall would be even better if... bigger? But like it small.

Enjoy the after-school clubs, Spanish, craft, cooking, music, howzat, live-chat (safety) would like to do basketball, hockey, Drawing/art skills. Running club.

One dad thinks an 11+ club would be a good idea.
