Dear Parents,

Unfortunately, there was an incident with parking last Thursday and a local resident who could not exit their property to get to work.

I know parking is difficult and unfortunately, I don't have the answer. At one time we did have a walking bus from the Memorial Hall, but numbers dwindled, and it was no longer viable. However, if you would like to park at the Memorial Hall and walk up past the tennis courts and across the field, I can organise this. Likewise, I have contributed to the resurfacing of the Cricket Club car park so that parents can use this to park and either cut across the field to school or walk around the road. We still have staggered start and finish times which helps a bit and Breakfast and After School Club.

I am open to any suggestions if you have any further ideas.

Kind Regards,

Christobel Cousins
