Headteacher:  
Mrs C Cousins

Dear Parents and Guardians,

We hope this message finds you well.

We are writing to address an ongoing concern regarding driving and parking around the school premises, which has been affecting both the safety of our children and the surrounding environment.

It has come to our attention that some drivers have been parking in restricted areas, blocking driveways, and speeding in the vicinity of the school. This has led to a number of safety hazards for our children and wider school community, as well as significant damage to the nearby farmland.

Specifically, the nearby farmland has been severely churned up by vehicles driving off the designated roads and parking on unapproved areas, which is causing long-term harm to the landscape. We kindly ask that all parents and guardians:

1. **Adhere to Parking Regulations:** Please ensure that you park only in designated parking areas. Avoid blocking driveways or parking on grassy or unpaved surfaces, especially near farm fields.
2. **Drive Slowly and Carefully:** The whole of Lilleshall is a 20mph zone, please drive slowly, paying careful attention to pedestrians, cyclists, and other vehicles.
3. **Be Mindful of the Environment:** Please avoid driving through the farmland and respect the boundaries around the school.

We are committed to providing a safe and welcoming environment for all children and parents. We greatly appreciate your understanding and support in this matter. We know that parking around school is never easy and our staggered start and finish times have helped to some degree. Also the provision of Breakfast and After School Club alleviate some of the congestion issues.

If you have any questions or concerns, please do not hesitate to contact the school office.

Thank you for your attention to this important matter.
